# TASMANIAN HONEY COMPANY

Featuring a beautiful range of pure Tasmanian honey. The honey is extracted and packed while the temperature is maintained below 45C, ensuring that the flavour and health benefits of the honey remain uncompromised. This results in a thick, candied texture. The signature honey is the Leatherwood honey.

The Manuka Honey range is a superior Tasmanian Manuka honey in varying sizes and nutritional & healing strengths.

# RINALDI NOUGAT

Rinaldi nougat uses traditional slow cooking and hand crafting to preserve the flavour and quality. Premium Australian nuts and honey are present in each bar. Each 86g soft nougat bar has a 28% honey content and different nut added. Each 175g gift box nougat has 33% honey and almonds. Rinaldi nougat is made in South Australia.

Flavours include:

- Almond and Blue Gum Honey (86g)
- Macadamia and Meadow Honey (86g)
- Hazelnut and Orange Blossom Honey (86g)
- Chocolate and Hazelnut (86g)
- Pecan and Mallee Honey (86g)
- Orange Blossom Honey and Almond (175g)
- Leatherwood Honey and Almond (175g)
- Ironbark Honey and Almond (175g)
